MARINADES

NO GLAZE
NO MARINADE
NO BARBECUE

The secret behind the best BBQ taste lies in its preparation. NOT JUST BBQ assists with its range of marinades, packed with authentic barbecue flavor. Made from natural ingredients and inspired by classic American BBQ flavors, each marinade has its own unique twist. Use them a day before you start grilling to marinate for that extra juicy, tender meat. And every now and then during grilling, but certainly also at the end, give it a royal, shiny glaze for a sweet and sticky finish. Finger-licking good!
